

Add Improved Health to Your Life through Regular Massage!

Massage therapy, like music or any of the arts, can bring joy to your life. Experience a new level of health through regular massage therapy. Serenity Massage offers several ways to make wellness happen.

Option 1 – VIP Wellness Program: Come in for a one-hour massage 12 times between September 1 and July 31, and schedule your next massage at the end of your session. Pay regular price (\$65) for your first massage, and \$60/hour for each massage after that. In August you will be able to schedule unlimited half-price massages! Plus, you will be offered free perks (like chair massages) at special events throughout the year.

Option 2 – Value Wellness Program: Come in for a 45-minute massage at least once every four weeks and pay only \$45 for a session. (The whole appointment extends to one hour including dressing time. Massage time is 45 minutes.) You pay regular price (\$50) for your first massage which includes consultation as needed and then receive the \$45 rate for each massage thereafter.
